

ImageFIRST Healthcare Laundry Specialists Products and Services Now Available for THSCS Members!

Your patients' satisfaction isn't a number. *It's an experience.*

And that experience starts with the smallest details. Like the gown a patient puts on before receiving care. Or a nurse entirely focused on his patient, not distracted worrying about not having scrubs that day.

If you are looking for more than a linen rental and laundry services provider, then look no further. With 50 years of expertise and a healthcare-only focus, we understand your number one goal: *providing quality, compassionate care.*

Comprehensive rental and linen programs and services include:

- ✓ **Staff Uniforms:** Scrubs, lab coats, warm-up jackets and surgical gowns
- ✓ **Patient Apparel:** Robes and gowns for every patient, practice, and procedure
- ✓ **Bed and Bath Linens**
- ✓ **Cubicle Curtains**
- ✓ **Microfiber Cleaning Solutions**

For the cost-effective way to increase your patients' satisfaction, contact Aaron Rahn at 630.849.0584 or arahn@imagefirst.com.

THSCS is devoted to the deployment of best practices in supply chain to the entire continuum of care by providing contracts, advisement, and technology to all its members. If you would like more information about what THSCS can do for you, please visit www.texashealthsupplychain.com or email us at THSCS@texashealth.org.
