PROVIDING WORLD CLASS HEALTHCARE THROUGH REGIONAL PARTNERSHIPS

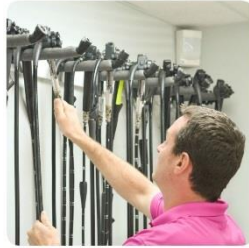

Texas Health has experienced significant growth in the North Texas area. This growth increased the need for lower supply costs and operating efficiencies culminating in the formation of Texas Health Supply Chain Services in 2015. As the needs of Texas Health grew, Priority One[™], a regionally based medical equipment repair company, was able to grow, adapt, and evolve to meet and exceed the expanding scope and surgical instrument repair requirements. Through this trusted relationship, Priority One has developed a loyalty for Texas Health that compels them to offer the very best service, quality, and education to extend the life of medical equipment and minimize the need for replacement.
